Dear Sir:-

The Carnot medals by Roty in regard to which you were enquiring the other day were struck at the French Mint, and I have been unable to find out whether any are now on sale in this country. Undoubtedly they could be secured in Paris. I would suggest that if you desire one, the simplest and easiest way to get it would be to order it through Tiffany who could secure it through their Paris representatives. The large size is now very scarce, and would probably cost in the neighborhood of a hundred dollars. Small ones would be very much cheaper.

Yours very truly,

Asst. to the Curator.
